

ColorLoc® Plus Lifetime Performance Warranty

J&J Industries extends certain fiber warranties which cover products incorporating the ColorLoc® Plus technology. These warranties protect the original purchaser against performance deficiencies in specific categories. The length of time covered by each warranty listed below is for the useful life of the carpet, provided that (1) the carpet is installed in accordance with the J&J Industries' *Carpet Installation Handbook* and (2) the carpet is maintained in accordance with the J&J Industries' *Carpet Maintenance Handbook*.

Warranties

For carpet incorporating ColorLoc® Plus technology, the following lifetime warranties apply:

Stain Resist Warranty: Carpet will resist permanent staining from both acid and disperse type stains. These stains include, but are not limited to, coffee, sodas, tea, wine, betadine, and ketchup.

Colorfastness Warranty: Carpet will not undergo a significant change in color due to exposure to light or atmospheric contaminants as tested under AATCC-16E at 200 hours and AATCC-129.

Color Transfer (Wet/Dry): Carpet will resist color transfer from wear or abrasion as measured by AATCC Test Method 165. Minimum rating of 4.5 or better will be met compared to AATCC 165 – Color Transfer Scale.

Water Bleed: Carpet will resist color change or bleeding as measured by AATCC Test Method 107. Minimum rating of 4.5 or better will be met.

Bleach Resistant: Carpet will resist bleed or color loss when exposed to oxidizing agents such as household bleach, benzoyl peroxide and hydrogen peroxide.

Water Stain Removal: Spills from substances and categories outlined in the previous sections of this warranty can be removed with water.

NOTE: *Non-water based stains such as oils, salad dressings and other oil based compounds, if allowed to dry, will require the use of an approved mild detergent to emulsify the oils to prevent leaving an oily residue that may be colorless, but which may create soiling.*

Exclusions

Exceptions include the following which are not the result of staining: appearance change due to pile distortion; damage from exposure to materials or contaminants which degrade or destroy nylon; damage resulting from non-J&J Industries approved cleaning agents; general soiling; installation outdoors; exposure to parking lot dressing, coating, or sealer; exposure to body fluids; and carpet which has been subject to abnormal use or conditions.

In the unlikely event that our ColorLoc® Plus technology fails to perform as warranted above and the stain cannot be removed, the exclusive remedy under this warranty shall be: J&J Industries will pay the material cost of carpet up to 100 times the size of the stain based on our original invoiced price but not to exceed the total original invoice.

NOTE: *ColorLoc® Plus is standard and only available on the Night at the Circus and Origins collections.*
